KIOSK INFORMATION SYSTEMS

Wedge

Always ready to go.

Fast and easy to set up. Portable and lightweight. Wedge kiosks from KIS are ideal for trade shows, special events and surveys.

MODEL KM 816 SEATED WEDGE

Use a Wedge kiosk to showcase your website or service.

The large back-lit signage and bright LCD touchscreen add power to your interactive presentation.

This fully portable kiosk packs and unpacks within moments, shipping inside its own hardened travel case.

The Wedge KM-816 offers seated usage and optional full-width printer.

MODEL KM 810 TALL WEDGE

KM 808- STANDARD WEDGE

The KM-800 Wedge series offers kiosks in four configurations. Select the model that works best for your application.

All Wedge kiosks feature:

- Large back-lit signage
- 15" LCD touchscreen
- Slide-out keyboard with trackball
- Stereo speakers • Integrated PC
- Optional printers and card readers.

MODEL KM 818 WEDGE BOOTH

All stand-up models weigh less than 100 pounds and include colorful, durable powdercoat finishes.

Wedge KM-818 adds a booth for privacy and comfort in more permanent installations.
